IMPORTANT NOTES:

Company is entitled to charge the Client for, and the Client shall pay any brokerage fees or other similar charges and/or expenses due to another broker and/or a third party incurred by the Company in connection with ensuring the receipt of dividends to which the Client may be entitled in relation to Custody Assets, pursuant to the General Terms of Business. The number of expenses shall be reflected in the statement of Account.

Broker is entitled to deny access to trading terminals in case account aggregate balance at the beginning of the trading day preceding the last business day of any given month becomes lower than EUR 100 (or equivalent in other currency), whereas such calculation of aggregate balance shall not include securities with no market value.

Any fee or commission calculated in accordance with this Fee Schedule which is less than 1 (one) cent will be rounded by the Company according to the rules of mathematical rounding and any fee or commission which is less than 0.5 cents will be rounded to 0.

Commission for penny stock (the stock of a company that trades for less than EUR or USD 1 per share) is charged according to the Service plan of the Client.

Commission for UK market charges in a trade currency, but accruals are converted once commission is debited depending on the currency of the Service plan.

Company is entitled to deny access to trading terminals in case your aggregate balance at the beginning of the trading day preceding the last business day of any given month becomes lower than EUR 100 (or equivalent in other currency), whereas such calculation of aggregate balance shall not include securities with no market value.

The Broker may, at its absolute discretion, provide the Client with a tariff other than those provided in this Fee Schedule, including Service plans published on official website.
